II. Other activities:

1. Events/training/workshops/conference...: Unplanned

(State the event title, participants, location, purpose, details,...)

No.	Title of Event	Date	Event form	Hosted by	Chairperson	Purpose	AIGA VN role	Expenses	Participant
1	Meeting on oxygen production & supply, and listen the difficult things from Suppliers	17-Jul-21	Online	MOH	D. Ministry - Mr. Tran Van Thuan	MOH listen oxygen issues and difficult things of suppliers	As a participant and gave safety ideas regards to oxygen issues	-	- MOH includes function Dept. and Minister - Mr. Long - All oxygen Suppliers in VN includes AIGA VN's member companies
2	Workshop on knowledge about oxygen supply & production & its capacity in VN	23-Jul-21	Online	AIGA VN	Mr. Anthony - AIGA VN	Share knowledge of oxygen production, supply, inventory, risky, transportation, importation, etc.,	As training the knowledge of oxygen to MOH	-	Dept. of Medical Equipment & Construction - MOH AIGA VN member companies
3	Meeting on oxygen production & supply, its capacity and report on the actual situation from Suppliers	21-Aug-21	Online	MOH	D. Ministry - Mr. Tran Van Thuan	To get the data and make the solution, direction then	- Advice and raise up safety, risky related to oxygen - Commit to advice and support on knowledge, standard, technical, etc., regard to oxygen	-	- MOH includes function Dept. Army, VN Steel Association, HN University - All oxygen Suppliers in VN includes AIGA VN's member companies - AIGA VN
4	Conference of training on knowledge regards to oxygen such as capacity of demand & production; emergency respond, safety use, etc.,	13-Sep-21	Online	MOH	D. Ministry - Mr. Tran Van Thuan	Train to all participant the current situation of oxygen issues in VN	- Had a speech by AIGA VN's Chief Rep. for the important of oxygen and its risky on using, etc., - Had a presentation subject on oxygen production capacity & safe use	-	- MOH includes function Dept. Army, VN Steel Association, HN University; Medical facilities of 63 provinces. - All oxygen Suppliers in VN includes AIGA VN's member companies - AIGA VN
5	Webinar on safe use of oxygen in the medical facilities	7-Oct-21	Online	AIGA VN	Mr. Anthony - AIGA VN	Improve the awareness & knowledge of safe using of oxygen for all hospitals	Train / share knowledge regards to safe use of oxygen: 1 - Introduce about AIGA VN mission 2 - Oxygen production & supply 3 - Safe use	-	- MOH; VINACHEMIA, DWS, PACCOM - Hospitals, Dept. of Health of provinces & cities in nationwide - Local industrial gas companies
6	Conference of sharing PATH survey about oxygen supplying situation in VN	23-Nov-21	Online	MOH	D. Ministry - Mr. Tran Van Thuan	Share / discuss about the survey result of PATH regards to oxygen to all participants	AIGA VN is invited to attend it as representative of oxygen supplier in VN	-	- MOH (All Deps); provincial Health Deps.; Med. Facilities - Int'l units: PATH, CHAI, WHO; USCDC; USAID, WORLD BANK; BLOBAL FUND; - AIGA VN

7	Meeting on solution for oxygen shortage in the South (HCMC & provinces in Mekong Delta)	23-Dec-21	Online	MOIT	Dept. of Industry	Discuss and have solution to hadling oxygen shortage in the South	Coordinate, advice to MOIT for this issue	All oxygen producers and distributors
8	Meeting on oxygen supply and ensure for TET holiday	5-Jan-22	Online	MOIT	Minister - Mr. Nguyen Hong Dien	Require suppliers to commit to ensuring oxygen sources for medical facilities during the Tet holiday	Had a speech by AIGA VN's Chief Rep. subject to the oxygen current situation and give advice for solution	All oxygen producers and distributors
9	Convert cylinder of other gases to medical oxygen	Jul 26 ~ Sep 10 2021	Email	MOH		Ensure medical oxygen cylinder supplying to medical facilities	Establish its procedure	Result: "Decision on temporary guidance of convert of cylinder" issued by MOH dated Nov 12, 2021. No. 5275/QĐ-BYT
10	Decree No. 113/2017/ND-CP Guiding on chemical law	Jul 10 ~ Aug 6 2021	Email	MOIT		Renew Decree	Comment for modification	
11	Strategy of CHEMICAL industry development To 2030 and vision 2040	Oct 13 ~ 29, 2021	Email	MOIT		Contribute to establish the chemical strategy	Comment about industrial and medical gases scope	
12	Oxygen demand for covid-19 treatment Based on 3 levels in hospital	Aug 5 ~ 23, 2021	Email	MOH		Contribute to activities of covid-19 treatment	Establish the calculation method	
13	PUBLICATION (DOCUMENT ISSUED)							
13.1	SAFETY ADVICE							
a -	Convert cylinder of other gases to medical oxygen				AIGA VN's Technical Committee & Sec. Gen	Local Industrial gases and users as well as medical facilities reviewing and studying	Improve up knowledge and awareness on safe handle of industrial gases for reveland people in VN	Posted on AIGA VN website: http://aigavn.com.vn
b -	Safety for compressed gases	May ~ Dec 2021	Internal meeting by zoom	AIGA VN				
c -	Demand of oxygen for the level of covid-19 treatment in hospitals							
13.2	TRAINING PACKAGE							
a -	Gas basic knowledge				AIGA VN's Technical Committee & Sec. Gen	Local Industrial gases and users as well as medical facilities reviewing and studying	Improve up knowledge and awareness on safe handle of industrial gases for reveland people in VN, and they can use them as training materials then	Posted on AIGA VN website: http://aigavn.com.vn
b -	Knowledge of pressure equipment	Jan ~ Oct 2021	Internal meeting by zoom	AIGA VN				
c -	Safety awareness							
d -	Safe use of O2 in medical facilities							

13.3 TRANSLATION: 11 units The technical, safety advice document from international association is translated into Vietnamese for local Industrial Gas companies, Users ref.	Jan ~ Dec 2021 Emails	AIGA VN	AIGA VN's Technical Committee & Sec. Gen	Local Industrial gases and users as well as medical facilities reviewing and studying in Vietnamese organization, association	Share knowledge on technical safe, standard of industrial gases field from international organization, association	Posted on AIGA VN website: http://aigavn.com.vn
