

MOU signed between AIGA VN and VINACHEMIA in 2nd phase

Evaluate the effectiveness of cooperation activities of both sides in the 1st phase (2019 - 2022). AIGA Vietnam and Vietnam Chemicals Agency ("VINACHEMIA") under the Ministry of Industry and Trade ("MOIT") have signed a Memorandum of Understanding ("MOU") in the 2nd phase (2023 - 2025) on April 28, 2023, at the office of the MOIT in Hanoi - Vietnam to continue implementing the activities to promote safety awareness as a designed mission.

The representative to sign MOU from VINACHEMIA is Mr. Nguyen Van Thanh - Director General and from AIGA VN is Mrs. Claire Rosseler - Chief Representative.

Project of operation of AIGA VN in 2023

Topic: **SAFE TRANSPORTATION**

Purpose:

Raising awareness and knowledge about safety industrial gas transportation for Transporters & Drivers

Target:

- 3 Seminars
- 4 Training Packages.
- 2 Safety Advice Docs.
- 5 Translation Docs.
- 8 Video clip/poster

Coming up Events

1. **Seminar in Sep 2023**
Defensive driving
2. **Seminar in Dec 2023**
Safe transportation of liquid gases
3. **Comment for**
Decree on list of dangerous goods; dangerous goods transportation (will issued by Ministry of transportation)

Seminar in person "Safe transportation of hazardous gases" – Jun 27th, 2023 in Hanoi

The seminar on "safe transportation of hazardous gases" was co-organized between AIGA VN and VINACHEMIA on June 27th, 2023, as a kick-up for the activities signed in the 2nd phase of MOU between both sides

- This is the first in a series of seminars about SAFE TRANSPORTATION in 2023. The aim of the seminar is to impart basic knowledge about the hazards and risks of hazardous gases, thereby there are emergency response instructions and precautions when transporting hazardous gases on the road
- The seminar had organized in Hanoi capital – North VN with 110 participants, including the representative of VINACHEMIA management, specially in the presence of Mr. Nguyen Xuan Sinh – Deputy Director General in charge of VINACHEMIA, and companies who are operating in the field of transporting, logistic, production and distribution of industrial and medical gases

- New TC leaders including

TC LEADER

BUI VAN XUAN
QSHE Manager

TC SUB-LEADER

VO LE LONG NHI
Industrial Regulatory
Compliance Officer

LEADER – SAFETY GROUP

TRAN VAN TINH
Chief Supervisor
Of Production

SUB-LEADER SAFETY GROUP

NGUYEN THE HUNG
QA Supervisor

☐ Sincere thanks to Mr. Vu Minh Hoang - TC Leader of the term 2021 - 2023 for his efforts and positive contributions to all activities of AIGA VN, his dedication is greatly appreciated.

Issued Document (Training material)

- AIGAVN-TM-007**
Hazardous gas transportation
– General Principle
- AIGAVN-TM-008**
Hazardous gas transportation
– Emergency response & prevention method
- AIGAVN-TM-009**
Hazardous gases transportation
– Silane Emergency response
- VINACHEMIA-001**
New regulation on chemicals
(it is prepared and presented at the seminar by VINACHEMIA)

Translated Document

- AIGA SP – 017/23**
Poster: Safe handling of Portable Liquide Cylinder
- EIGA SI-TS/13-21**
Managing driver fatigue
- EIGA SI-TS 12/20**
In vehicle distraction management

The purpose of translating documents is to help local people working in the industrial gas field in Vietnam to access international documents, from which they can review and apply to their work

Issued Video

- AIGAVN-VD-016**
Gas cylinder transportation incident
- AIGAVN-VD-017**
Instruction on safety driving
- AIGAVN-VD-018**
Instruction on emergency response for NH3 leakage
- AIGAVN-VD-019**
Instruction on emergency response for Silane leakage
- AIGAVN-VD-020**
About AIGA Vietnam

AIGA VN selects videos on Youtube with content related to industrial gas, makes Vietnamese subtitles and public on AIGA VN's Youtube as a visual safe awareness education.

Performance – the first 6 months of 2023
