Hybrid seminar #08 “SAFETY FOR N_2O và NH_3 ” on July 25, 2025 in Hanoi

- As part of the 2025 project program, AIGA VN, in collaboration with Vietnam Chemical Agency, organized a Hybrid Seminar on “Safety for N_2O and NH_3 ” on 25 July 2025 in Hanoi. The seminar was attended by Mr. Bui The Cuong (Vietnam Chemical Agency), Mr. Erik Mota – Chairman of AIGA VN, and 113 participants (online & offline) from AIGA VN member companies and local industrial gas enterprises.
- The event aimed to share fundamental knowledge about N_2O and NH_3 , their hazards, risks, and applications in industry and daily life. Leaders from AIGA VN member companies and the Chemical Department directly addressed participants' questions and shared management directions for the safe use of N_2O both in plants and within the community.
- Mr. Erik Mota presented certificates of appreciation to the speakers: Mr. Pham Manh Cuong (Messer) and Ms. Mathilda Loh (Linde Asia).
